

## Abes Days 2024

Organized at Corum – Palais des Congrès in Montpellier, the Abes Days 2024 will take place on May 28th and 29th, 2024.

Every year, the Abes Days bring together around 500 professionals from Higher Education and Research libraries.

These two days feature plenary interventions from national and international experts and numerous parallel sessions, workshops and tutorials.

The Abes Days also aim to encourage dialogue between members of the documentary networks managed by Abes: break times punctuate these Days, focusing on sharing and conviviality.

A privileged opportunity to present your projects, services and products and meet your customers and partners.
